Dear Jon Maniccia:

Thank you for the opportunity you've given GE Consumer Finance to provide our best-in-class financing products to Advanced Exteriors customers. We're very excited about working with you and your customers.

We are happy to acknowledge that Advanced Exteriors meets the high standards required to participate in our financing program. GE's association with Advanced Exteriors also reflects our desire to see that home improvement customers are treated in a courteous and professional manner. We believe homeowners deserve the kind of high-quality products and services that Advanced Exteriors provides.

The craftsmanship of Advanced Exteriors, combined with the financing tools of GE Consumer Finance, offers a package that represents great value to your customers. We look forward to continuing to provide your customers with the best financing programs in the industry.

Sincerely,

*Dave A. Anderson*
